Sir:

REQUEST FOR CERTIFICATE OF CORRECTION

Pursuant to 35 U.S.C. § 255, and 37 C.F.R. § 1.323, this is a Request for a Certificate of Correction in the above-identified patent. The mistake identified in the appended Form is of a clerical or typographical nature, or of minor character, and resulted from an error made in good faith by patentees. The requested correction does not involve changes that would constitute new matter or require reexamination.

Payment of the fee set forth in 37 C.F.R. § 1.20(a) in the amount of \$100.00 is submitted herewith. Should payment not be submitted or should any additional fees be needed, authorization is hereby given to charge any fees due in connection with the filing of this Request to our Deposit Account No. 06-0916.

The appended Form requests correction of issued claim 10, which was added as claim 25 in the Amendment dated January 31, 2003. Due to a typographical error, that

claim inadvertently recited "delimited" rather than "delimiting." The appended Form merely corrects that misspelling. As such, the correction does not constitute new matter and does not require reexamination. Accordingly, Patentees respectfully request the correction of the minor typographical error present in issued claim 10.

One (1) copy of PTO Form 1050 is submitted herewith. The complete Certificate of Correction involves one (1) page. Issuance of the Certificate of Correction containing the correction is earnestly requested.

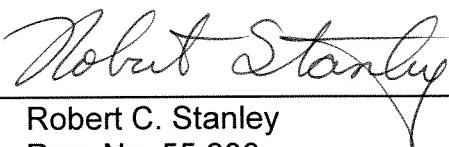

Please charge any additional required fees to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
